Sen. McManus issues statement following State of the State address

LANSING – State Sen. Michelle McManus, R-Lake Leelanau, issued the following statement following the governor’s State of the State address:

“We need to set a course for our state that recognizes and rewards the hard work of those who drive our economy – one that respects and values our workers and supports the businesses, large and small, that provide good jobs.”

“I look forward to getting the opportunity to more closely study the governor’s proposals to see how they fit in to our legislative agenda and our overall goal of jump starting the economy and getting people back to work.”
